

HttpApplication

HttpApplication

kpiMvcApi.Global

```
graph BT; A[kpiMvcApi.Global] --> B[HttpApplication]; A --> C[HttpApplication];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'kpiMvcApi.Global'. Two arrows originate from the top of this box and point upwards to two separate boxes, both labeled 'HttpApplication', positioned above it. This indicates that 'kpiMvcApi.Global' is a base class or interface for the two 'HttpApplication' classes.
